VOLUME 3

THE WOMAN BEHIND THE MYTH

FERNANDE GRUDET · 1923-2015

MADAME CLAUDE

Born Fernande Grudet in Angers, she reinvented herself in Paris as Madame Claude. During the 1960s and 1970s, she built an exclusive and secretive network serving the highest circles of politics, diplomacy and business. Her authority rested on discipline, discretion and a remarkable instinct for reinvention.

Her story remains inseparable from exploitation, secrecy and the law: she was formidable and deeply controversial, not a simple heroine. This edition honours audacity, autonomy and female strength without erasing that complexity.

TO EVERY WOMAN WHO REFUSES TO REMAIN INVISIBLE.
